GLL Advisors for Municipalities

GLL in cooperation with the Association of Local Authorities in Lithuania shall develop a network of experts acting as members of advisory councils within municipalities in order to facilitate social and economic changes in self-governance. Municipalities of Vilnius and Druskininkai have already joined the program to receive advise on effective internal communication and tourism marketing.

Academic Buddy

Started in 2012 by an initiative within the Cambridge University Lithuanian Society (CULS) program aims to ensure that the brightest students in Lithuania would be given a fair chance to study in the best universities that reflect their academic potential at the same time creating a community of Lithuanian talents abroad. In 2016 GLL became the strategic partner and organizer of the program.
